We automatically collect some data about our users' browser actions and patterns. This is aggregate data that does not identify any individual, but instead aids in improving our understanding of our users and their preferences. It also helps us develop our website and audit its use.

Cookies

This website uses cookies, a small piece of information stored on your computer in the form of a file, to allow you to access restricted areas and to monitor usage by tracking which URLs are accessed and the sequence in which they are accessed.

We use Google Analytics to analyse use of the website. The information collected will not include any information from which you will be identifiable. You can set up your browser to reject cookies, although some functionality of the website may be impaired.
